- non-routine take-home medication

## Loyalty birth

For people who have previously had a baby with Imperial College Healthcare Private Care, we are delighted to offer a 10 per cent reduction on our maternity packages. We also extend this discount to people who were patients of Imperial College Healthcare Private Care's fertility service. Please note these offers are only available to patients who are paying directly for their care (self-pay).

## Booking

To secure your booking at the Lindo Wing, we require a deposit of £8,845 (for vaginal birth) and £12,000 (for caesarean section). In the event of cancellation, a £400 cancellation fee is charged. We accept payment by bank transfer or by all major credit or debit cards, with the exception of American Express.

After your discharge home, any credit remaining on your account will be returned to you.

## Other additional charges

Additional charges will be made if you require critical care. If your baby requires transitional or specialist care, this is free if they are entitled to NHS care and is chargeable if they are not.

Any unplanned additional interventions ordered by a member of the clinical team will be charged separately.

You will be asked to leave your room by 11.00 on the day you are going home. Additional charges may be applied for late discharge.

Hearing tests will be charged at £75, unless NHS eligible.

If you are insured and your insurance company is paying your account, please contact them to confirm the terms of your cover and obtain your pre-authorisation number.

You will need to provide confirmation of cover prior to your admission. If confirmation is not provided within this period, you will be eligible to meet all charges.

Please note, the cost of £150 per day for nursery care is not covered by insurance companies.
