

## **JHOSC Recommendations and Info Requests 8 March 2023:**

### **Elective Orthopaedic Centre**

#### Recommendations:

- To recommend that a specific travel plan is developed that addresses travel related concerns expressed in the consultation to reassure patients and stakeholders.
- To recommend that there should be monitoring of the quality of the elective orthopaedic services provided locally and at the centre located within Central Middlesex Hospital, to ensure that they are consistent and of the same standard.
- To recommend that more detailed is supplied on how the NHS is implementing the consultation feedback on transport when this issue next comes back to JHOSC.
- To recommend that a communications campaign for the elective orthopaedic centre is delivered in conjunction with local government and other stakeholders.

#### Information Requests:

- To receives a response to the query regarding the disparity across North West London boroughs in the response rate to the quantitative survey.
- To share the final business case for the elective orthopaedic centre with the committee as soon as possible.
- To share the final travel plan for visitors, patients and staff with the committee when it becomes available.

### **ICS Update:**

#### Info Requests:

- That NHS North West London provides comparisons to other London Integrated Care Systems' performance on key metrics as part of the regular performance report sent to the committee.
- To provide more information on the planning work being undertaken for the roll out of the spring 2023 Covid booster.
- To receive details on how the NHS will ensure that patients who need to be moved from the Butterworth centre will be moved seamlessly into alternative care.
- To provide the JHOSC with the details of the final North West London workforce strategy when it becomes available.

### **Inpatient MH bed capacity**

#### Recommendations:

- To recommend that the NHS work with the JHOSC to engage on a mental health specific estate strategy by bringing this item to a future JHOSC meeting.
- To recommend that the NHS works with the JHOSC to shape the future public consultation on the Gordon Hospital.

#### Information Requests:

- To provide further information on the current spend by West London NHS Trust on mental health services across the three boroughs, the spend available per resident, and how the money was allocated so that the JHOSC can effectively scrutinise the future development of mental health services across North West London.
- To receive details on how the move towards community based mental health care will impact residents, referencing results from integrated impact assessments undertaken.
- To receive feedback from patients and carers from West London Trust's enhanced engagement when available.
